NATURE OF PROCEEDINGS:

The Motion for Reconsideration is timely, inasmuch as it was initially filed on February 25, 2005. While the Court re-affirms its February 15, 2005 Order, said Order is clarified as follows:

This case shall proceed to trial on April 25, 2005 as an individual action only and not "on behalf of the general public." This case has been pending since October 30, 2002. The operative Second Amended Complaint was filed August 27, 2003. The Second Amended Complaint did not indicate this was a "Class Action." see CRC 1851. Further, plaintiff never sought to certify a class in this case. See CRC 1854.

It is so ordered.

Notice to be given by defendant.
